*NEW RELEASES AND  
BEST SELLERS*

WINTER 2011/12 CATALOGUE  
UPDATE

[WWW.TIMKNIGHTMUSIC.COM](http://WWW.TIMKNIGHTMUSIC.COM)

**Welcome** to this catalogue update of items that are new since the last catalogue, and those that are best sellers in each of the various sections.

Tim is an award winning Yorkshire Composer with a wide range of Orchestral, Vocal, Instrumental and choral works available in print.

Because his music has been described as accessible and appealing to performer and listeners, a steady stream of Performances have been built up and most of the music in this catalogue has been performed with performances taking place in the UK, USA, Holland, Norway ,Canada and Hungary.

We can offer help with publicity and pre concert talks for groups committed to performing the larger scale works these are an excellent aid to publicity.

We do hope you find something to interest you and we look forward to hearing from you.
